

Men's Retreat

Men in the Two Halves of Life: From John the Baptist to Jesus

Saturday, February 25, 2012
9:00 a.m. - 3:00 p.m.

From the young man first making a name for himself to the grandfather sharing hard-earned wisdom, men at every stage of the spiritual journey have something to learn from and offer to each other. Guided by our brothers walking the path, we will explore what our Christian tradition tells us about building the good life, facing the crises of our limitations, and how our struggles can lead us to a place where "I no longer live, but Christ lives in me" (Gal. 2:20). Come for a time of fellowship, challenge, and new direction.
