Centennial Historical Tours: Future, Past, and Present. Plymouth Church is pleased to offer guided tours of our historic site, with a glimpse into the past, present, future of Plymouth Church, UCC and the Shaker Heights community. Our distinctive red brick Georgian building stands on land donated by the Van Sweringen brothers, developers of Shaker Heights, for use as a church for the community. An open and affirming congregation, Plymouth Church has served Shaker Square and nearby communities since 1916. It has offered a variety of community activities and services beyond its reach as a religious setting. Guided tours of the church will be offered all through-out Memorial Day and Labor Day weekends. To book a reservation please call 216.921.3510. The tour is free, donations are appreciated. Please make reservation at least one week before date of tour.
